

SPECIFICATIONS – EVT0001938

KDOT District 5 – Remove & Replace Security Fence 205 Oil Hill Road, El Dorado, Kansas 67042

General Statement of Work

Remove existing privacy fence and install approximately 70' of new cedar privacy fence. This is to include new galvanized steel upright posts with pressure treated 2 X 4's for cross members.

Remove and dispose of approximately 600' of existing chain link fence, posts and 20' gate. Replace with approximately 600' of new commercial grade chain link and posts with 3 strands of barb wire on top. Install new 20' sliding cantilever gate.

Contractors are encouraged to visit the site to obtain measurements, review site access, and any other information needed prior to bidding. Contact Alan Mantooth (316) 321-2880 or Mike Diffendahl (316) 321-2880 for additional information, or to visit the site. All work shall be coordinated with KDOT.

General Requirements

1. Bidders are required to submit one copy of a properly completed "Event Details" document, and all additional documents required by the Event Details. Please read the Event Details carefully.
2. All questions related to this bid event should be directed via email to the Procurement Officer indicated in the Event Details. Answers to questions will be available in the form of an amendment on the Procurement and Contracts' website: <http://da.ks.gov/purch> . Bidders are required to check the website periodically for any additional changes to specifications or bid opening date and time changes.
